• Updates:

- World's Finest Chocolate – keeping the 13-15 boxes currently at Susick for next year. 146 Boxes out as of 4/24 unpaid. L. Farrell to draft a letter for M. Babbish to send out for money collection. Once all boxes have been paid, in lieu of the pizza party, we will be sending small pizza coupons to those who earned it – roughly, 200.  
  
-D. McGee to contact Tony's Pizza (to support a local business during this unique time) for any discounts they might be willing to offer. C. Standerwick to contact Jet's Manager for any discounts they may be willing to offer and L. Farrell to contact Hungry Howies.  
\*Congratulations to Juliana Farrell and Riley Maul for winning the Hover Boards by selling eight or more boxes of chocolate. Both will receive their prize in September.
- D. Smiljanovska suggested a "meet-up" at Susick for students to get a chance to waive to their teacher and friends. PTO decided against this, as we continue to obey the social distancing guidelines and keep the health and safety of our community first.
- 5<sup>th</sup> Grade Clap-out – we are still looking into ideas to create something special, while also obeying the social distancing guidelines and keeping our community healthy and safe. If we are unable to come together for this special event, we will be making goodie bags a little extra special this time.
- Teacher appreciation – D. McGee to confirm the funds. Possibly, gifting each teacher (roughly 40) a restaurant gift card to enjoy a meal at home with their family. L. Farrell to contact Texas Roadhouse about any discounts and C. Standerwick will contact BWW.

- PTO Nominations – C. Coppola will post all information via Bloomz.
