

The Scoop on Popcorn Fridays!!!

We will be selling popcorn for \$1/box on most Fridays throughout the rest of the school year, starting March 9th!

Here is how it works!

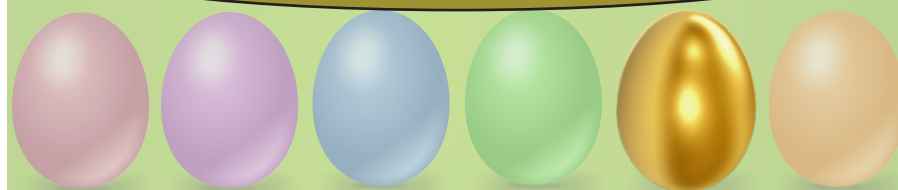

- Each week, we'll let you know if we are selling popcorn that Friday
- You will receive an envelope with your class list laminated on the front
- On Friday morning, we ask that you collect one dollar from students who would like to purchase popcorn that day. Place the money in the envelope and check off their name on the front with a dry erase marker (so we can reuse the envelope each week)
- We will come by to collect the envelopes early in the day to make sure we pop enough popcorn
- At the end of the day (11:30am on half-days; 3:30pm on full days) we will deliver the popcorn boxes to each classroom for students to take home with them
- Of course we will always pop a little extra for any last minute purchases

Back by popular demand!!!

We've had several requests to sell Little Caesars pizza kits again! We will be launching the campaign again in the next few weeks. It will work the same as last time. Students will receive pizza kit brochures with the campaign running about 2-3 weeks. Cash and checks will be accepted this time, with online ordering available as well! More information to come!
