Anna Noechel

Christina Coppola 00:10:08.524 --> 00:10:13.444

You're welcome. Okay, so we're going to get started. Welcome everybody. Um, thank you for joining us.

66

Christina Coppola 00:10:13.449 --> 00:10:16.444

Earlier than normal.

67

Christina Coppola 00:10:18.005 --> 00:10:27.875

We get to the agenda, here's our agenda for part 1 part 2 agenda. Um, so I will start off, we're calling this meeting to order at 605.

68

Christina Coppola 00:10:29.134 --> 00:10:49.804

And, um, the meeting minutes from the last meeting is, um, on our website, it's our website, it's under the information tag under current, you'll find recordings meeting minutes and budgets and stuff there. So, um, since we're not in person, if you guys.

69

Christina Coppola 00:10:50.705 --> 00:11:02.195

You know, the minutes are in there, um, that's where things will be stored on our website. If you need reference to anything with that. Debbie, are you able to talk with you on your call?

70

Christina Coppola 00:11:04.234 --> 00:11:04.984

Unmute yourself?

71

Christina Coppola 00:11:07.804 --> 00:11:27.634

I think she's on her call. Okay. Um, she is on her call. We'll get back to her. Um, so I'll jump, right in the little caesar's piece of kit. We, it was very successful. Thank you to everybody who participated. Um, we raised profit of 1692 dollars. Um, that's gonna get us at least 2, buddy benches.

72

Christina Coppola 00:11:28.625 --> 00:11:48.485

My goal right now is to, um, see what we need to do as far as get those. But we, I mean, we'll purchase the Ventures, but as far as I want to talk with the grounds crew to see how to make them permanent, they have a lot of these buddy benches and, and I have some samples. Um, you know, there's a few that we're looking at, so.

73

Christina Coppola 00:11:49.329 --> 00:12:10.474

I'd like to get opinion on these, but some have different ways. They can be stand alone. Some can be nailed into the cement. Others can be just sitting there when you move it around, or some could even be dropped into the ground, kind of, like, hammered into the ground. So.

74

Christina Coppola 00:12:10.535 --> 00:12:31.625

Is to check with the grounds crew to see how we make this happen and based on what they tell us purchase, the type of footing needed. But if anybody has any preferences of what kind of bench they like, we'll definitely have it.

75

Christina Coppola 00:12:31.654 --> 00:12:52.774

You know, courtesy of the, you know, the suicide buddy bench, whatever, you know, we will basically customize it. So, if anybody has any ideas, these are just a few that that were out there. Um, if anybody has any other ideas, if anybody says work with these before, let me know, but I'm just kind of searching online to see.

76

Christina Coppola 00:12:52.804 --> 00:12:55.114

What's out there? What's available?

77

Susie Bellos 00:12:56.434 --> 00:12:59.494

Yeah, at my school, I would say something would have to be more permanent.

78

Christina Coppola 00:13:00.124 --> 00:13:00.544

Yeah.

79

Susie Bellos 00:13:00.694 --> 00:13:02.044

Otherwise, it'll get ruined.

80

Christina Coppola 00:13:02.944 --> 00:13:13.924

Yeah, and that's what I'm thinking too. So, um, either 1 that gets knocked into the grass or 1, that's, you know, fixed to the summit. So, and they offer those different.

81

Christina Coppola 00:13:13.954 --> 00:13:34.744

It's just a matter of, um, you know, going through the, the WCBS grounds crew and figuring that out. So we will do that but thank you to all that participated. I did pass out the prizes today. Um, Mia. Thanks to my people on Facebook. Um, she sold 30 kits.

82

Christina Coppola 00:13:35.254 --> 00:13:56.224

Um, uh, kenzie manner. Lisa Maynard daughter sold 25 kits and then the MacRae family combined sold 25 kits. So, those were the top 3 winners and then the classroom that, um, had the most participants and it was Mrs Copco. Um, so she's received the Amazon gift card as well for the 75 dollars.

83

Christina Coppola 00:13:56.230 --> 00:14:05.045

And she's spending that so far in indoor games and markers they're out of markers. So, um, so it was good. So we're able to help.

84

Christina Coppola 00:14:06.100 --> 00:14:22.625

You know, uh, help get a couple benches and get some prizes. So, um, thank you again that participated in that, um, Debbie is back. So, Debbie, if you want to go through the financials real quickly, um, I'll turn it over to, you.

85

Christina Coppola 00:14:25.264 --> 00:14:26.914

You're on mute if you're on mute for a minute.

86

Deborah McGee 00:14:31.054 --> 00:14:34.384

Okay, hang on, let me get my sheet. Um, so.

87

Deborah McGee 00:14:35.794 --> 00:14:48.034

Right now we have about like, almost 2600 dollars to our disposal to use for things. I just went out deposit for the popcorn and fall festival and our little caesar's kit. Um.

88

Deborah McGee 00:14:50.015 --> 00:15:00.845

And the stickers for the book fair. So I just did that. And so we have about almost 2600 dollars to our disposal, which will be going towards, um.

89

Deborah McGee 00:15:02.944 --> 00:15:09.484

At Christmas, and, uh, the balance whatever else we need for those body benches.

90

Deborah McGee 00:15:14.585 --> 00:15:15.515

We talked about earlier.

91

Christina Coppola 00:15:18.755 --> 00:15:39.155

I can share that in the budget is also posted on the same spot and I'll bring it up here. If anybody wants to take a look at how things are spent and stuff that's also posted on the website in the same area. The information page under current under budget or financials, but it's up there.

92

Christina Coppola 00:15:39.159 --> 00:15:40.444

You guys an idea.

93

Christina Coppola 00:15:42.005 --> 00:15:54.485

Um, of what's coming on, what's been spent how things how things are are basically used. Um, so again, that that is on the website as well.

94

Christina Coppola 00:15:56.524 --> 00:16:17.224

And anything else Debbie. Okay. Okay. Um, so, also on the webpage, I have finally been able to, um, create a web page for student experience where, so I tested it myself. Um, it tells me I owe money cause I've purchased too. But, like, I was just testing it out, I tried to.

95

Christina Coppola 00:16:17.255 --> 00:16:21.845

Up so that it is on our website. Let me see if I can pull it up.

96

Christina Coppola 00:16:22.895 --> 00:16:44.015

To, um, and you can go in there we have 3 different products right now. Um, just the short sleeve, long sleeve and, um, uh, zip. So let me see if you guys can see this. Um, but again, so, like, uh, this one's under spirit where the other page that I was referencing, there's.

97

Christina Coppola 00:16:44.044 --> 00:17:05.134

And current, that's where you'll find meeting recording meeting

minutes and budget just a reference there. But the spirit where I have here has this page, so basically, you can choose from the 4 designs that we have there and you can either have a T shirt or long sleeve hoodie. These are the colors that are a majority of the different styles.

98

Christina Coppola 00:17:05.194 --> 00:17:25.805

Have and kind of fit within our color theme and then, um, basically you can, let's say, pick a long sleeve. Um, and you pick your size, um, you know, whatever size you want. Let's just go with the extra large. Of course, we always go green and white, but there are other colors in the world. Yes, I know. Um, and then, um.

99

Christina Coppola 00:17:26.319 --> 00:17:47.464

You pick your your design from 1234 let's go with the Michigan State. S and then we're just entering student name, email address, and teacher and grace so that I can get these delivered to the student. It's added to the bag. What I'm trying to have it do in the checkout is you can go directly to the.

100

Christina Coppola 00:17:47.494 --> 00:18:08.164

Paypal, which connects to us, um, we don't have the PayPal credit that but that pops up. Some people may, but also on the checkout, um, there is the option of if you want to pay by cash, or if you want to pay by check. So those will be alerted to me and then, um, hopefully, um, I'll try and make a note in here that, you know, those need to be turned in.

101

Christina Coppola 00:18:08.825 --> 00:18:29.765

And so, teachers will probably be aware that that may be the case that people are turning in money and checks. And, um, you hand it to us I should have their information. Um, and I'll try if I can remember and get myself organized, trying to alert you to the fact that if a student has purchased something. But, um, but that's that's the, the goal you place your order and it comes to us.

102

Christina Coppola 00:18:29.794 --> 00:18:50.914

And hopefully, I can turn these around quickly. Um, I do have some colors other colors will have to order, but the, the 1 account that we order from is pretty quick. Um, so, you know, hopefully within, you know, a week or 2, we can get these going, try and try and, um, advertise these for the holiday coming up and such. So, um, but that's that's where we're at.

103

Christina Coppola 00:18:50.920 --> 00:19:11.945

You're aware, and I know there's a lot of staff that needs spirit where, so we'll focus on those. 1st, um, and then we do have some spirit. We are in the closet from several years ago that I'm gonna pull out and see, there's a lot of kids sizes. There's a few adult sizes. But, um, we do have various ones of those. That we had purchased when we did the, the.

104

Christina Coppola 00:19:13.294 --> 00:19:19.204

The fun run way back when we were doing designated classes and designated, um, grades and stuff. So we'll.

105

Crystal Standerwick 00:19:19.204 --> 00:19:20.974

Can I say something quick?

106

Christina Coppola 00:19:21.394 --> 00:19:21.574

Yeah.

107

Crystal Standerwick 00:19:21.574 --> 00:19:33.064

I just wanted to thank you for all the hard work that you put in to do this, because it's a really big deal and that's a really nice thing for everybody to have access to. So, thank you very much for all the hard work you did.

108

Christina Coppola 00:19:33.274 --> 00:19:34.084

Oh, you're welcome.

109

Crystal Standerwick 00:19:34.204 --> 00:19:36.034

Appreciate it.

110

Christina Coppola 00:19:36.094 --> 00:19:37.414

Just hope it works.

111

Crystal Standerwick 00:19:37.924 --> 00:19:39.034

I agree.

112

Christina Coppola 00:19:39.934 --> 00:19:52.924

So, um, so, yeah, so that that's where we're at, with spirit where, um, finally up and running. So, let me get rid of that. And then we'll go to our next agenda item. But it does anybody have any questions or any anything with that?

113

Christina Coppola 00:19:54.605 --> 00:20:08.555

Everybody good with that. Okay. Um, and we are gonna go to the holiday shop, um, Holly shop. So we have, um, Susie, you waving in front of the camera.

114

Christina Coppola 00:20:12.874 --> 00:20:30.784

You okay. Okay. Um, okay, so currently we have about 8 to 10 vendors. Um, there are gonna be, um, the vendors that gave us problems last year are not invited back. Um, so it should be a much better year, um, a variety of stuff that we're gonna have again. I already had.

115

Christina Coppola 00:20:31.414 --> 00:20:52.144

2 volunteers that were there last year wrapping gifts are the moms that come in at lunch that were helping in the library today track me down and they took wrapping paper home with them to make bags. Um, and they're volunteering at the events as well. So, um, so we're already ahead of the game. Um, but I also thought maybe we could have a day where we set up in the gym.

116

Christina Coppola 00:20:52.204 --> 00:21:12.934

There is no Jim get a bunch of wrapping paper and stuff and just have if any of the volunteers want to come in if anybody has some time. And we do like a marathon wrapping session for a couple hours and get those those done too. It just makes the process a lot faster during the sales. If we have the bags Pre made, we stick them and tape it and they go. Um, but we are running short on supplies.

117

Christina Coppola 00:21:13.594 --> 00:21:34.414

As far as wrapping paper, we used up a lot last year, so we'll be asking hopefully for some donations. Um, and some tags we don't need as much tape but, um, we'll ask for some donations a tape as well. But mostly we need probably wrapping paper and tax, so we'll kind of send that out. We'll also send out a sign up sheet, um, or.

118

Christina Coppola 00:21:34.480 --> 00:21:55.625

Not a sheet, but the sign up on blooms if for any volunteers that can give us 1 or 2 hours a day most likely it'll be the 15th and the 16th. Um, probably like a 90 am to noon and, like, a 1 to, like, 330, um, for each day and, you know, come from our for half hour. Come for the whole day. Um, lunch will be provided.

119

Christina Coppola 00:21:55.654 --> 00:22:01.174

Days and it's a lot of fun watching the kids shop and yes.

120

Deborah McGee 00:22:02.134 --> 00:22:07.534

Maybe we can get with MS cook and maybe the leadership kids to help maybe make bags or something. If they are.

121

Christina Coppola 00:22:07.564 --> 00:22:15.004

Oh, yeah, I got that last year. Yeah and Charlie and back wants to do it, so they did that last year for us so yeah.

122

Deborah McGee 00:22:15.454 --> 00:22:16.654

We're going to sell them at the at the.

123

Deborah McGee 00:22:16.954 --> 00:22:18.004

To.

124

Christina Coppola 00:22:19.144 --> 00:22:19.804

5, and on.

125

Deborah McGee 00:22:19.804 --> 00:22:22.354

Because I'm a leadership kid. Yes, she.

126

Christina Coppola 00:22:22.594 --> 00:22:26.464

You are so you're gonna be wrapping bags there, Charlie.

127

Deborah McGee 00:22:29.764 --> 00:22:30.454

Making.

128

Christina Coppola 00:22:32.104 --> 00:22:37.924

Yeah, but they did, they did do that last year. So, um, I just got to give them more papers. They had the box in the room for a while.

129

Christina Coppola 00:22:37.954 --> 00:22:58.054

On every chance they got, they did that for us, so that was appreciated but yes, thank you for reminding me. Um, so any questions on the holiday shop, these vendors are awesome that kind of runs itself. Um, they come in, they set up, they sell kids are happy.

130

Christina Coppola 00:22:59.944 --> 00:23:19.954

That's about it. Okay. So moving on then 2, um, holiday stuff for the staff this year. Um, I know we will do specific gift cards for lunch, supervisors and crossing guards. Um, I don't think we're gonna do the 12 days of Christmas this year, this, because, um, working a lot and.

131

Christina Coppola 00:23:20.825 --> 00:23:41.375

That takes a lot of, uh, scheduling and stuff. So, uh, and it's want to do something different. So, if anybody has any ideas, I know there's some suggestions, you know, maybe a couple day coffee, hot, hot, cocoa bar, maybe mashed potato bar, cater luncheon, but really open for ideas. If anybody has any ideas what they like, teachers what do you.

132

Christina Coppola 00:23:41.404 --> 00:23:49.804

Guys, like, we have a lot on this time, so feel free to, um, to really give us your honest opinion.

133

Christina Coppola 00:23:53.254 --> 00:23:54.334

Should I put somebody on the back.

134

Mrs. Cushard 00:23:56.074 --> 00:23:59.434

The part that we've had in the past was amazing. It was.

135

Christina Coppola 00:23:59.434 --> 00:23:59.824

Okay.

136

Mrs. Cushard 00:23:59.854 --> 00:24:04.354

Indifferent and just had had a real positive impact on my afternoon.

137

Christina Coppola 00:24:04.954 --> 00:24:06.634

Awesome. Okay. We can do that.

138

Christina Coppola 00:24:08.915 --> 00:24:09.575

Anyone else.

139

aslebodnick@ 00:24:09.575 --> 00:24:16.475

Just going to say, I mean, we, we appreciate anything so you guys are awesome. So anything is fine.

140

Christina Coppola 00:24:16.955 --> 00:24:18.035

Okay, thank you.

141

aslebodnick@ 00:24:18.095 --> 00:24:19.445

I know that's not helpful, but.

142

Christina Coppola 00:24:22.115 --> 00:24:22.745

Anything.

143

Rikki Mutter 00:24:22.745 --> 00:24:24.995

These smoothies where my favorite.

144

Christina Coppola 00:24:25.175 --> 00:24:25.925

Smoothies were you.

145

Rikki Mutter 00:24:25.925 --> 00:24:26.765

Favorites.

146

Christina Coppola 00:24:29.464 --> 00:24:50.464

Those were a big huge hit, so, um, okay, well, so good. So, maybe we'll do like a theme day, and, you know, maybe a couple little surprises here and there I don't know, we'll have to figure out something and then what our budget is at at the time. So, um, but good. Yeah. So, if those things are great, we can.

147

Christina Coppola 00:24:50.469 --> 00:24:57.814

Certainly put those into the mix. Um, all right anybody else have any other ideas.

148

Christina Coppola 00:25:00.364 --> 00:25:00.874

Anyone.

149

Christina Coppola 00:25:03.424 --> 00:25:14.194

Okay, um, then we're going to move on to, um, Debbie, you can probably talk to this. We purchased a bunch of supplies in the beginning of the year when everything was on sale. Um.

150

Christina Coppola 00:25:14.464 --> 00:25:29.704

To reply to replenish supplies um, basically now, at this at the mid year, Mark, because I know that's when you guys start running out of things and ask me for parents and stuff. So so W, if you want to tell

them what we have and what we're thinking.

151

Deborah McGee 00:25:30.364 --> 00:25:35.374

So, I think I purchased enough crams for all of kindergarten 1st grade.

152

Deborah McGee 00:25:36.034 --> 00:25:50.854

Maybe secondary too. Um, we also did lose fix, like, a ton of, um, I did align paper for the 4th and 5th grade because I know that they go through a lot of that as well. Um.

153

Deborah McGee 00:25:52.624 --> 00:26:03.064

Pencils we did pencils cause I know we would go through a lot of pencils. I can't think of anything else that I did as of right now, but I think that's all I covered in the beginning of this.

154

Christina Coppola 00:26:03.544 --> 00:26:13.384

Okay, so if there's certain things that, that you guys are running low on, if you guys the status on and if you want to ask the staff I know today there was a request for, um.

155

Christina Coppola 00:26:13.659 --> 00:26:24.874

Kleenex and Clark's wipes. So, um, we're definitely gonna supply some of that, uh, sooner than later. Um, because we understand the, the districts is not supplying it. Um.

156

Christina Coppola 00:26:25.024 --> 00:26:32.074

They used to so, um, and it's, you know, kids are going through it really quickly so.

157

Deborah McGee 00:26:33.364 --> 00:26:36.754

We'll do the Kleenex and yeah, the whites.

158

Christina Coppola 00:26:39.094 --> 00:27:00.184

Um, but, yeah, so if there's anything like that, that supplies that tend to run out, um, right about now or that, you need to redo and stuff cause we found like, last year we, we do these wishlist and stuff at the end of the year and it wasn't really beneficial, so we're kind of looking at now. Okay. We're gonna try and hit the basics. Um, but if there's something in.

159

Christina Coppola 00:27:00.214 --> 00:27:21.064

And maybe, we'll, we'll do a survey, just say what's in particular that, you know, um, something that that's, you know, desperately needed or, you know, I know. Uh, Expo markers get used quite a bit, um, you know, such like that. So, I guess what I'll do is, I'll just, I'll put out a survey again, um, for the staff to see that's probably our best way of going about it. But.

160

Christina Coppola 00:27:21.364 --> 00:27:37.624

We took advantage of, like, you know, the the 25 cent, the 50, uh, credits in the beginning of the year, and the blue sticks and all that when things are on sale to buy a lot of those. So that we would have it mid year for you guys to, um, kind of replenish your supply. So that's kind of our goal with that. Um.

161

Deborah McGee 00:27:37.924 --> 00:27:42.484

Even those export markers too. I know we did some in the beginning of the year, but those are something that you guys.

162

Deborah McGee 00:27:42.515 --> 00:27:44.585

Is it'd be replenished on too?

163

ohryn 00:27:48.004 --> 00:27:48.364

I know.

164

ohryn 00:27:50.494 --> 00:27:53.404

For Expo markers and then, uh, the skinnier ones too.

165

Christina Coppola 00:27:54.184 --> 00:27:54.724

The skin.

166

ohryn 00:27:54.724 --> 00:27:58.774

Easier to use for the white board is easier for them to write on with the.

167

Christina Coppola 00:27:59.644 --> 00:28:00.094

Okay.

168

Deborah McGee 00:28:00.274 --> 00:28:00.484

Okay.

169

Rikki Mutter 00:28:01.264 --> 00:28:10.684

And just so, you know, check on casco online, you might be able to find them really cheap on Costco because I got them at the beginning of the year, pretty cheap at casco but, I don't know. I doubt they sell them in stores right now, but maybe online.

170

Christina Coppola 00:28:11.224 --> 00:28:12.034

Okay, cool.

171

Lisa Maynard 00:28:12.784 --> 00:28:18.664

Um, is there still a need for the I know that um, some of the kindergarten teachers were asking for those.

172

Christina Coppola 00:28:19.534 --> 00:28:20.674

On.

173

Mrs. Cushard 00:28:20.704 --> 00:28:31.774

Yeah, uh, the kranz yeah, we've been using them in kindergarten this year. Um, and it's been actually really helpful. It was something that Mrs Martin had suggested because the kids are.

174

Mrs. Cushard 00:28:31.839 --> 00:28:44.524

So, good about losing their crams immediately, and they tend to be a little bit more attached to the 1. so they don't end up on the floor quite the same. So, um, a couple of sets that those would absolutely be wonderful for the kindergarten groups. Thank you.

175

Christina Coppola 00:28:53.824 --> 00:28:58.654

All right just writing something down. Um, okay. Um.

176

Christina Coppola 00:29:01.834 --> 00:29:06.874

Okay, any other ideas from teachers? Mm. Hmm.

177

ohryn 00:29:07.354 --> 00:29:13.954

An expressive which you wouldn't be bad, but what's gotta be like the 1 with, like, the, the silver like the really high end. 1 would be good.

178

Christina Coppola 00:29:16.084 --> 00:29:17.914

Any particular brand of espresso.

179

ohryn 00:29:18.424 --> 00:29:23.974

You know, I do, I'll have to get back to you. I forget the name. Oh, yeah searching the bees. bellville.

180

ohryn 00:29:26.104 --> 00:29:26.974

Yeah, yeah.

181

Christina Coppola 00:29:27.004 --> 00:29:27.454

Okay.

182

Crystal Standerwick 00:29:28.594 --> 00:29:31.654

Yes, bear skin rug Thank you.

183

Christina Coppola 00:29:31.684 --> 00:29:34.894

Oh, to go, this is what you want 1 of those 2 is that what you said?

184

Rikki Mutter 00:29:34.924 --> 00:29:36.274

No, I don't drink coffee.

185

Rikki Mutter 00:29:36.725 --> 00:29:38.675

slurpy and a diet doctor pepper.

186

Rikki Mutter 00:29:40.355 --> 00:29:40.835

Thanks.

187

Crystal Standerwick 00:29:42.934 --> 00:29:46.024

If that's the case, I'm going room to room every day. I need to get.

188

Christina Coppola 00:29:46.054 --> 00:29:46.894

I know seriously.

189

ohryn 00:29:50.435 --> 00:29:51.245

All right I'll mute.

190

Christina Coppola 00:29:52.835 --> 00:29:54.485

Okay, um.

191

Christina Coppola 00:29:57.784 --> 00:30:00.784
Barbara says she's on with a parent meeting. Okay.

192

Christina Coppola 00:30:02.104 --> 00:30:12.694
You'll join when she can, but, uh, I'm not gonna wait. So, let's move on any teachers report anyone slurping machine.

193

Rikki Mutter 00:30:13.324 --> 00:30:23.224
I just wanted to thank you for the, um, the fall festival. The kids are still talking about it in my class. Like, they loved it so much and unfortunately wasn't.

194

Rikki Mutter 00:30:23.254 --> 00:30:40.504
Will be there this year, but they had such a great time and they're still talking about and we write about we're doing personal narratives and a couple of kids pick that. So thank you for that. And I also wanted to ask 1 other question too. I know with the fun run and then that didn't happen and the, um.

195

Rikki Mutter 00:30:41.584 --> 00:31:02.614
The assembly didn't happen and my kids have still been asking about assemblies, like, all since since that time. So I was hoping we could maybe get a couple people to, um, I'm sorry a couple people to come in and do assemblies for us. If we could ask for a little bit of fund raising money for that, or just because I have my students since.

196

Rikki Mutter 00:31:02.734 --> 00:31:13.144
I mean, even 5th graders, I think they maybe have 1 assembly and with Coleman and all that. I just think it would be really cool for them to have an assembly because my, my own students have never experienced it. So.

197

Christina Coppola 00:31:13.774 --> 00:31:23.854
And I, I agree, I actually have been, uh, I keep look people keep sending stuff to us. There's a music man and stuff. I just don't, um, I love the idea of assembly. So if you guys have any.

198

Christina Coppola 00:31:23.885 --> 00:31:44.855
Particular 1 in mind, um, if you've worked with somebody before, if you think I know I, I was trying to look for 1, you know, I know there's a lot on billing and stuff, but just trying to look for, like, ones that, you know, even some sort of positive behavior, or even

something fun with with this music, man seemed like he was fun and such, but yeah, I, I love the idea.

199

Christina Coppola 00:31:45.094 --> 00:31:54.364

Um, they're not, they're not that bad. I mean, I, I don't think they go more than 4 or 500 dollars and I think, you know, that's something we could afford.

200

Susie Bellos 00:31:54.934 --> 00:32:06.154

Christina, could we maybe align it up with, like, a Christmas break? So maybe like, since there are no Christmas parties, um, our holiday parties, maybe we can line it up with Christmas.

201

Susie Bellos 00:32:06.244 --> 00:32:12.394

So, it could give maybe that last day or a couple of days before Christmas break, give the teachers a little bit of a buffer.

202

Christina Coppola 00:32:14.284 --> 00:32:17.434

You're not not on break, but before break we should. Right okay.

203

ohryn 00:32:17.464 --> 00:32:27.304

We had years back we had this I think it was guy come and I remember I remember that. His message was awesome. It was super entertaining.

204

ohryn 00:32:27.334 --> 00:32:48.064

For everybody, and then he sold Yo, Yo. So it might even been free because then kids came down and got yo's for the next week or so from the office. That was 1 of my favorite assemblies besides Detroit police department came with their their dogs. And did show the kids how the dogs search for.

205

ohryn 00:32:48.574 --> 00:32:56.644

Drugs, they had the guy come in with the big suit, and the dog attack them. That was sweet to those 2. things could be relatively cheap.

206

Christina Coppola 00:32:57.394 --> 00:32:57.844

Okay.

207

deanna 00:32:58.444 --> 00:33:09.514

I could talk to the officers that come in the office and ask about the dogs and see if that's a possibility at some point in time Detroit,

police department.

208

Christina Coppola 00:33:09.785 --> 00:33:10.265

Yeah.

209

deanna 00:33:11.435 --> 00:33:19.985

Okay, yeah, I can call Zack, he's our guy over there. Maybe he can set something up for that. That may not even cost anything.

210

Christina Coppola 00:33:21.845 --> 00:33:22.085

Okay.

211

Rikki Mutter 00:33:22.085 --> 00:33:30.755

And I don't mind looking to I don't mind looking and seeing if there's anything I know the jump for Jill. I think it was that was a really big hit back a long time.

212

Rikki Mutter 00:33:30.844 --> 00:33:36.934

It was all about nutrition and things like that, and they got to exercise during it and that was fun. So I could look into a different ones.

213

Susie Bellos 00:33:38.614 --> 00:33:47.764

Also that reptile place that reptile place in Shelby? Yeah, they'll come and do 1, too. And the kids love that.

214

aslebodnick@ 00:33:48.424 --> 00:33:48.814

Yeah, I.

215

Rikki Mutter 00:33:48.814 --> 00:33:49.744

Going to suggest.

216

aslebodnick@ 00:33:50.344 --> 00:33:51.904

Taking my own kids there before.

217

aslebodnick@ 00:33:51.934 --> 00:33:55.114

And they raised about that place, they thought it was so cool.

218

Christina Coppola 00:33:55.564 --> 00:33:56.614

You guys know the name of it.

219

Rikki Mutter 00:34:00.604 --> 00:34:01.264

Okay, Mm hmm.

220

Christina Coppola 00:34:03.214 --> 00:34:19.924

All right awesome. So, let's let's put it to a vote. I think it's a, it's a, yes, as far as wanting to do the assemblies, do we want to put let's say if we can get a couple assemblies, they're 4 or 500 dollars each do we want to set aside 1000 dollars and vote on that and set it aside for assemblies.

221

Susie Bellos 00:34:20.464 --> 00:34:21.273

I'm happy with that.

222

Christina Coppola 00:34:21.783 --> 00:34:22.714

Okay, so.

223

Crystal Standerwick 00:34:23.493 --> 00:34:24.094

Fine with it.

224

Christina Coppola 00:34:24.454 --> 00:34:30.604

Okay, that's 2. um, everybody else on if you guys want to say, yay, or nay um.

225

Jennie 00:34:33.033 --> 00:34:34.294

Yeah, I think that's a great idea.

226

Anna Noechel 00:34:34.354 --> 00:34:34.834

Yeah.

227

deanna 00:34:35.164 --> 00:34:35.763

Yes.

228

Lisa Maynard 00:34:35.824 --> 00:34:36.394

Yeah.

229

Christina Coppola 00:34:36.753 --> 00:34:40.743

Okay all right so then let's set aside 1000 dollars for.

230

Christina Coppola 00:34:41.584 --> 00:34:53.914

At least 2 assemblies and then, you know, Mrs. if you can help us out, um, squad Nick with those, um, and, you know, I, I love the, the ones that you guys suggested. So we'll look into those and try and make this happen. So.

231

Rikki Mutter 00:34:54.424 --> 00:34:55.233

Thank you so much.

232

Christina Coppola 00:34:55.263 --> 00:35:00.814

You're welcome. Okay. Anything else? Well, many of the teachers.

233

ohryn 00:35:03.904 --> 00:35:22.444

Yeah, I didn't want to really quickly say, um, you know, I didn't think this would come up with my students were asking about tax for the book care. So they found out that you guys were helping with the taxes and they, they were super excited about it. So, I appreciate that and it helps around the numbers down easier for them. So thank you for that.

234

Christina Coppola 00:35:22.834 --> 00:35:23.494

Oh, you're welcome.

235

Christina Coppola 00:35:23.584 --> 00:35:28.384

Yeah, we did the latest sticker sales we did for the library. We.

236

Christina Coppola 00:35:30.635 --> 00:35:47.675

Offer to sell the stickers and and cover the taxes, because a lot of times we forget the tax when we're at the book fair. And so it's just it's just easier when crystal and I did it. It was just easier to say, you know, we'll take care of the taxes so so thank you. Yep.

237

Christina Coppola 00:35:48.964 --> 00:36:09.484

Um, okay, um, open floor. Um, 1 thing I definitely want to get is every time I walk in the morning, and they're pushing that library cart that been that loud, been in the hallway. Um, they're like, for, I think, for like, 120 bucks, 130 bucks at, um.

238

Christina Coppola 00:36:10.774 --> 00:36:31.234

Harbor rates, we can get a, uh, a taller version of those, uh, gray

carts that has 2 stacks. That would be quieter that we can, you know, put media. We can, I can be dazzled the heck out of it that says media on it. And the kids don't have to bend over and push this and they can quietly come and go through the hall. So, um, I.

239

Christina Coppola 00:36:31.265 --> 00:36:47.705

I would like to take some funds for that. If you guys are in agreement. If you're in the school, you would, you would know in the morning, you would hear it. You didn't even have to see it. Um, but I think that's that's just that's just needed for ergonomically and and noise control. So.

240

Christina Coppola 00:36:49.684 --> 00:36:50.554

But even agreement.

241

Crystal Standerwick 00:36:50.554 --> 00:36:51.274

I'm fine with that.

242

Christina Coppola 00:36:51.844 --> 00:36:52.114

Okay.

243

ohryn 00:36:52.144 --> 00:36:53.314

That's a wonderful idea.

244

Christina Coppola 00:36:54.154 --> 00:37:10.714

Yeah, cause it's yeah, so I'm going to hopefully harbor freight has that 1 that I saw in stock, and we can get that and, um, take care of that cause. It's these guys are literally these, these are bending over hurting their backs pushing this loud cart that I don't think.

245

Christina Coppola 00:37:10.744 --> 00:37:26.554

Is meant to be pushed through the hall I think it's just meant to stay in the library and you put your books in there and so it's mismanaged. I want to fix that. So, in my opinion, all right anybody else have anything that they would like to.

246

Christina Coppola 00:37:28.085 --> 00:37:29.495

Share talk about.

247

Crystal Standerwick 00:37:30.155 --> 00:37:41.885

Can I just ask a question? Are you guys is, is there the, um, the

fitness class happening this year? You know, like the 3rd graders got to do at 1 time? Mr. Warren was doing it maybe or Sarah.

248

Christina Coppola 00:37:42.455 --> 00:37:43.145
Sarah was doing.

249

ohryn 00:37:43.325 --> 00:37:48.665
From what I understand, she is doing it right now with a certain grade level, and then they're going to open it up to.

250

ohryn 00:37:48.934 --> 00:38:05.944
The grade levels for the 2nd, half of the year, don't quote me please, but I know, I believe is doing it now with certain grades, they're trying to break it up because there were a lot of kids that joined us that are going to give each either chunks of grades or grade levels their own time.

251

Crystal Standerwick 00:38:06.184 --> 00:38:09.934
Okay, cause Max keeps telling me about it and he's like mom, it's 3rd grade and.

252

Crystal Standerwick 00:38:10.174 --> 00:38:24.154
I really want to do it and I was like, I haven't had any information sent home about it or I would sign him up of course or whoever. My kids are super interested in and they were from, you know, the time. You guys did it before. So, if they do, I guess, just let me know, because.

253

Susie Bellos 00:38:24.724 --> 00:38:29.704
Sarah just need to talk to with Sarah, I believe Brandon's, right? It's 3rd grade right now.

254

aslebodnick@ 00:38:29.734 --> 00:38:31.084
It is 3rd grade. Yes.

255

Crystal Standerwick 00:38:31.234 --> 00:38:36.604
Okay, cause that's that's Max, but okay. That's Max. But they didn't get any information. Was it just sent home or.

256

aslebodnick@ 00:38:37.084 --> 00:38:40.894
Yeah, what she had said, she gave us a certain number of fliers and.

257

aslebodnick@ 00:38:41.284 --> 00:38:49.204

Said, you know, ask your students whoever's interested and so you just said, okay, raise your hand if you want to fire like, it didn't it wasn't something that went home to the whole class.

258

Crystal Standerwick 00:38:49.264 --> 00:38:49.894

Okay.

259

aslebodnick@ 00:38:49.954 --> 00:38:52.054

So, that's how we did it and then.

260

aslebodnick@ 00:38:52.595 --> 00:38:54.875

So, maybe, you know, maybe it wasn't there that day.

261

Crystal Standerwick 00:38:54.905 --> 00:38:56.855

He was out for a week when he broke.

262

Crystal Standerwick 00:38:57.185 --> 00:38:58.565

So, yeah, that's probably when.

263

aslebodnick@ 00:38:58.715 --> 00:38:59.195

Yeah.

264

Crystal Standerwick 00:38:59.435 --> 00:39:03.875

Okay. All right that makes sense. Thank you for that. I appreciate it. Thanks.

265

Christina Coppola 00:39:07.595 --> 00:39:16.415

Um, okay. Um, and then Debbie Debbie, I think we have a question about the, uh, balls that were handed out in the beginning of the year. We want to talk a little bit about that. I think.

266

Deborah McGee 00:39:17.645 --> 00:39:29.495

Yeah, we give all the classrooms, the balls and we're hearing through the grapevine that they're not allowed to have them out on the playground. Is that true? Or is that just during lunch or.

267

ohryn 00:39:33.244 --> 00:39:39.964

During lunch, so they can bring them out when we go out for recess as a class, but during lunch through, we're not allowed to bring them out.

268

Deborah McGee 00:39:41.194 --> 00:39:41.644

Okay.

269

Christina Coppola 00:39:41.944 --> 00:39:43.414

And that's the same for 3rd grade. Okay.

270

aslebodnick@ 00:39:43.804 --> 00:39:44.284

Mm, hmm.

271

Christina Coppola 00:39:44.884 --> 00:39:46.624

Okay, so they're not taken away 100.

272

deanna 00:39:46.624 --> 00:39:48.154

Well, they can add.

273

Christina Coppola 00:39:49.504 --> 00:39:49.924

Okay.

274

Christina Coppola 00:39:51.484 --> 00:40:12.004

Okay, I mean, that, that makes sense if they can't cause it's hard to corral them at lunch. As long as they're not being taken away at your recess. We were concerned that they were being taken away at your recess and the intent was for your personal recesses. So, um, okay, um, did we have anything else.

275

Christina Coppola 00:40:18.754 --> 00:40:19.174

Nothing.

276

Susie Bellos 00:40:20.584 --> 00:40:23.494

I think I have a question for the teachers, um.

277

Susie Bellos 00:40:25.324 --> 00:40:46.414

I kind of don't know how to approach this to be honest. You know what I'm looking on Facebook, and I'm seeing my friends going to their kids schools to participate in various parties. And I know birthday parties are big stickler music, but they get to go to their kids school for

birthday parties. My friend yesterday was like, what should I take?
And I was like.

278

Susie Bellos 00:40:46.595 --> 00:40:49.385
Case cause we're not allowed anymore. Um.

279

Susie Bellos 00:40:52.745 --> 00:41:09.365
From the teacher's perspective, is this something that you would like
to see changed? I know as a parent, it's really bothering me that I
feel like, um, all the fund has been taken out of school when I think
back to when I was in school, or even for TJ my older 1.

280

Susie Bellos 00:41:11.255 --> 00:41:31.535
The parties were a big part of the fun part of school, and that's when
they made, like, a cool something to take home. And like, I'll use
Donna. She made this really cool snow globe for Nate and it still
hangs on our Christmas tree. I have nothing. And it's, it's starting
to rob.

281

Susie Bellos 00:41:31.569 --> 00:41:50.704
Little bit I was planning on talking to Mrs. babesh about it, but I
can't seem to track her down too. Well, is this is this something I'm
just trying to figure out? Is this teacher driven or is this Warren
Warren time kind of thing or? Um, maybe we could shed some light on
that. Maybe.

282

ohryn 00:41:52.144 --> 00:41:52.714
The only thing.

283

ohryn 00:41:52.744 --> 00:42:13.834
I'm aware of is it's really the food policy, so we can't have food,
but I don't think it was like an anti. We can't have a well, I guess
there wasn't really I thought we could still do activities per se or
we couldn't have food and we couldn't spend a ton of time on, you
know, doing the holiday activity. But I thought it was.

284

ohryn 00:42:13.895 --> 00:42:15.575
Or food related, I could be wrong though.

285

Christina Coppola 00:42:16.864 --> 00:42:32.944
I was told that you guys, or I was heard that you guys had to give up
portions of your, uh, recess time in order to have a party. So, like,

you couldn't have both, you couldn't dedicate, like, an afternoon to, like, recess on having a party. Like, it has been in the past, or for a few hours.

286

aslebodnick@ 00:42:34.714 --> 00:42:37.834

Well, I know we're definitely not supposed to do it for a few hours.

287

aslebodnick@ 00:42:38.074 --> 00:42:51.484

Um, I don't even know if I understand the exact amount of time we're supposed to do it, but I know it's supposed to be pretty, pretty limited. I don't know if anybody else knows. Exactly. But.

288

Susie Bellos 00:42:51.514 --> 00:42:53.224

I'm not trying to put anybody on the spot.

289

Susie Bellos 00:42:53.404 --> 00:42:58.984

Trying to see from my perspective, Where's this coming from so that I can address where it needs to be addressed?

290

deanna 00:42:59.435 --> 00:43:20.135

I thought, okay, don't quote me on this, but I'm think Mrs beverage said if they wanted to substitute the recess time for an activity for a holiday that's okay. I mean, no food obviously, but if they wanted to substitute their recess to do an activity.

291

deanna 00:43:20.140 --> 00:43:34.175

Something fun regarding that holiday they could. Um, that's what I thought. She told me, but I don't know if that's been conveyed to everybody. If that's, you know, the way it is. I don't know. That's just what I heard.

292

Christina Coppola 00:43:38.494 --> 00:43:43.294

Okay, well, Mrs babish has joined us. So, do you want to jump in and give us your take on that?

293

Christina Coppola 00:43:52.564 --> 00:43:53.824

Okay, she might not be on.

294

Susie Bellos 00:43:54.214 --> 00:43:54.784

She knows.

295

ohryn 00:44:02.134 --> 00:44:07.294

It could be an audio if you, I had a hard time, I had to go into my settings and change it to join a I mean, there was an update.

296

Susie Bellos 00:44:08.794 --> 00:44:11.284

I'm a little bit a certain because I feel like.

297

Susie Bellos 00:44:12.334 --> 00:44:33.454

Um, I feel like they don't have any fun. I feel like it's all business all the time and there's no parties. There's no activities. There's no food. There's no, there's no field trip like these kids. Like, there's nothing, but dry content and and I know that what we're there for, but if we want to make this memorable, we want our.

298

Susie Bellos 00:44:33.484 --> 00:44:46.894

To, I mean, you foster the love of learning in elementary and I'm not saying that the teachers aren't doing that. I don't want it to take an out of context either. Um, but I feel like those are the things that our kids are missing.

299

aslebodnick@ 00:44:56.645 --> 00:45:15.755

I guess I'll just say, as a parent, I'm glad that my kids do still have that if they're schools. So so I understand your perspective. I know. You know, as a teacher, it is hard to get certain things in in the amount of time. But I do like for my own kids, that's the kind of stuff they remember. And that is.

300

aslebodnick@ 00:45:15.784 --> 00:45:23.764

What they get excited about personally for my own kids I am, I'm glad that they do have that.

301

Crystal Standerwick 00:45:25.955 --> 00:45:46.715

I will say this too, I think just because, you know, of our position of being part of PT0, anytime we're outside, picking our kids up for the day, or during drop off. I get approached by random parents who think I have many answers, which I don't. But it must look like I do, because they approach me and with the same concerns, you know, why don't we have? What can we.

302

Crystal Standerwick 00:45:46.834 --> 00:46:07.894

Have the parties, why don't they have food? Why can't they have cupcakes? And I just, I just send my advice is talk to somebody in the

office, and, you know, if you have a concern, I have nothing to do with it. But it is more than just the few of us on here. I mean, that I have questions and concerns I know parents come to me with several things.

303

Crystal Standerwick 00:46:07.955 --> 00:46:15.785

All the time, and again, I just check with the office. I'm not the answer, man, but it is out there and it is circulating. So.

304

Susie Bellos 00:46:22.024 --> 00:46:24.484

Of Michelle here she can, she hear us. Okay.

305

Christina Coppola 00:46:24.484 --> 00:46:25.774

Trying to connect I don't know.

306

Christina Coppola 00:46:35.014 --> 00:46:54.214

I don't know, I mean, I guess my big pick up on this whole thing is that we allow we allow snacks during the day we allow launch in school. So there's food being brought into the school were conscious of. I know as a parent. I'm conscious of not sending any nuts and anything that would pertain to allergies yet. You know, for like Halloween we couldn't.

307

Christina Coppola 00:46:55.024 --> 00:47:13.234

Even bring suckers, or what have you, I mean, it was telling my child were walking through target. No, we're not purchasing anything because we can't purchase anything for Halloween this year. So, I guess that's my hiccup is like, we allow treats that we allow snacks in the school. Why can't we allow treats for special occasions?

308

Susie Bellos 00:47:14.164 --> 00:47:15.604

And why can't we allow them.

309

Christina Coppola 00:47:16.025 --> 00:47:33.305

Right and I understand that people have allergies and I understand, you know, and and I know parents make concessions um, at least I would, I would send in something else if I knew somebody in the class would have analogy but it's almost as if now we're punishing everybody else that doesn't have an allergy. It seems so.

310

Crystal Standerwick 00:47:33.455 --> 00:47:36.725

Definitely that to you, I think it can be very controlled. Like we

used to do it.

311

Crystal Standerwick 00:47:36.759 --> 00:47:57.904

Back when we were allowed to do it, you know, a teacher would be responsible for whatever they felt comfortable with based, on their student's needs or their needs or if they knew that they didn't want too much sugar in the classroom or whatever it might be. I mean, you could have said, you can put the list of, however, you want it who wants to bring, you know, a toy or Plato or a.

312

Crystal Standerwick 00:47:57.934 --> 00:48:06.064

A pencil for everybody, or wants to sign up for the juice box and either a cupcake or right and you have the there is the options are endless. It's just.

313

Christina Coppola 00:48:06.064 --> 00:48:06.364

Right.

314

Crystal Standerwick 00:48:06.364 --> 00:48:07.534

There can't be any.

315

Christina Coppola 00:48:07.954 --> 00:48:18.874

Right I remember we did that. We did that with Mrs. they had the on Sunday so everybody brought a specific thing. It was all assigned. Uh, uh, you know, I think me and Riley's dad were in there.

316

Christina Coppola 00:48:19.084 --> 00:48:22.024

Bring up the ice cream. There was a lot of fun. The kids had a lot of fun and it was.

317

Crystal Standerwick 00:48:22.024 --> 00:48:22.594

Control yeah.

318

Christina Coppola 00:48:22.924 --> 00:48:24.094

And, you know.

319

Susie Bellos 00:48:24.154 --> 00:48:40.204

The other issue I have is Thanksgiving's coming and I know a lot of her kids are ethnic. They not might not ever know what a traditional Thanksgiving dinner is. So you could almost wrap in a social studies lesson in with a Thanksgiving dinner where everybody brought

something. Because you could relate it to, you know.

320

Susie Bellos 00:48:40.234 --> 00:49:01.354

Giving, and you could teach the history left along with it. So it's not like it's learning loss. They're learning while it's happening. So, I guess if Michelle can't get on this meeting, I'm okay. With asking her to meet sometime and sitting down with her and and discussing these options. I'm okay with that. Um, I know I'm the 1 who voiced his concerns so.

321

Susie Bellos 00:49:01.805 --> 00:49:17.165

Um, I don't have a problem sitting down with her and trying to figure out, like, just some common ground. I guess. I guess it's a little disheartening to me to see all my friends doing all these fun things with their kids and their kids teachers and it's like, we failed to launch.

322

Michele Babbish 00:49:24.874 --> 00:49:26.044

Hi, can anyone hear me.

323

Crystal Standerwick 00:49:27.184 --> 00:49:28.024

We can hear you.

324

Michele Babbish 00:49:28.924 --> 00:49:31.144

Right. I'm having some difficulty. Sorry about that.

325

Christina Coppola 00:49:35.044 --> 00:49:37.624

Okay, so, um, we're at the end of the meeting.

326

Michele Babbish 00:49:38.164 --> 00:49:40.414

I know I apologize. I was in a parent meeting.

327

Christina Coppola 00:49:40.714 --> 00:49:53.524

Mm, hmm. Um, so basically, we're at this point, um, Susie brought about, uh, the party policy and then if you want to react to that, and then it would be the principals report.

328

Christina Coppola 00:49:53.529 --> 00:49:54.124

Be next.

329

Michele Babbish 00:49:55.564 --> 00:50:03.784

Okay, so, um, well, for the principal's report, I know I see that there's some teachers on here. So did they already share out.

330

Christina Coppola 00:50:03.994 --> 00:50:09.214

Yeah, they're all set. We, we're, we're done with the meeting we're at the end, so it's, it's principals report right now.

331

Michele Babbish 00:50:09.994 --> 00:50:14.614

Okay, well, if the teachers haven't already, um.

332

Michele Babbish 00:50:15.005 --> 00:50:35.825

Communicated it from our last meeting, I think the most, uh, fun was had at our fall festival and I just wanted to shout out another. Thank you to, um, PTO for another great event. Um, I know our families appreciate it. It was good to see everybody come out and to be back together again insights. So just wanted to thank you guys for that.

333

Michele Babbish 00:50:35.829 --> 00:50:56.884

We are currently looking at conferences coming up. They are both in person and virtual using blooms to get that out and hoping that we'll see more people attend now that both versions are offered. So that will be coming up. We have the Thanksgiving break obviously.

334

Michele Babbish 00:50:57.214 --> 00:51:18.034

And I'm sure you guys already talked about your Christmas shop and I'm don't want, it seems like everybody is since you're pointing out at the end of the meeting and I wasn't able to attend. So, um, I guess those are the highlights if you will, can we go back? I don't know what the whole conversation was because I was having trouble connecting.

335

Michele Babbish 00:51:18.395 --> 00:51:22.835

And when I joined, I was at the end. So what did you say, Suzy have a concern.

336

Susie Bellos 00:51:22.865 --> 00:51:32.915

So, if it's okay, I'll just set up a time in you and I can meet and chat. Yeah, we're kind of like as a whole, you know, the kids with the know food policy and the.

337

Michele Babbish 00:51:32.915 --> 00:51:33.275

Pardon.

338

Susie Bellos 00:51:33.305 --> 00:51:39.155

Policy in that we feel or at least me, I'll speak for myself. I feel like there is.

339

Susie Bellos 00:51:41.254 --> 00:52:00.424

Like, a, a failure to launch, like, I feel like in elementary schools, where you foster a love of learning, and along with that comes the Thanksgiving party, the Christmas party, the fun activity. The thing you make, and you bring home all that stuff is missing. And I see all my friends on Facebook and my friends from around here.

340

Susie Bellos 00:52:00.455 --> 00:52:03.695

And they all have this stuff, and I'm like, well, we don't do any of that.

341

Susie Bellos 00:52:04.385 --> 00:52:20.825

Also, see that there is a miss from, not having those things. The parents aren't capable of getting in the classrooms and helping the teacher and and fostering that relationship as well. So, I was hoping that maybe we can have a discussion and maybe come to some kind of agreement on.

342

Susie Bellos 00:52:22.264 --> 00:52:25.474

You know, allowing something for these kids to look forward to.

343

Michele Babbish 00:52:26.224 --> 00:52:30.964

Right, yeah, that would be totally fine. I totally do that.

344

Christina Coppola 00:52:41.824 --> 00:52:44.674

Anybody else have anything that they want to discuss.

345

Christina Coppola 00:52:51.334 --> 00:53:03.064

Okay, then it is, uh, the end of our meeting Thank you all for joining. I appreciate it. Um, I will give you guys 12 minutes back of your evening. Um, everybody have a great night. Thanks again.

346

Crystal Standerwick 00:53:05.464 --> 00:53:06.184

Thank you.

347

ohryn 00:53:06.604 --> 00:53:07.054

Thank you.

348

Mrs. Cushard 00:53:07.264 --> 00:53:07.684

Thank you.

349

Rikki Mutter 00:53:07.684 --> 00:53:08.314

Yeah, yeah.

350

aslebodnick@ 00:53:09.574 --> 00:53:10.204

Thank you.
